The Noble Horse Facts and Breed Information on Our Equine ...

Large and regal, the horse is a striking display of strength and a supple example of beauty. These two properties are derived from the strong fight-or-flight instinct etched in horses' DNA. The combination can only be called noble. For centuries, society could not have functioned without the horse.

Friesian Horse Breed Information, History, Videos, Pictures

The Friesian Horse is an all-black equine breed that developed in The Netherlands. This horse is one of the only indigenous horses existing in the country and is known for its large size, considerably fast movement, and smooth, elegant gaits. At present, the Friesian Horse is a popular choice in several European and

Interesting Facts About the American Quarter Horse ...

We will start our Quarter Horse facts with a brief history of the breed. The first registered breed in America, the American Quarter Horse is the result of a combination between the old and the new, between the indigenous horses called Chickasaw and English Thoroughbred.
